

Mission

God calls us to individual roles as followers of Christ, each important in the life of the church. Through God's infinite wisdom, He has called us to lead people in worship to Him while on this spiritual journey.

Our mission is to glorify God, to lead others to Jesus, to foster the faith of believers, and to advocate a God-centered life.

Our vision is to see our world transformed by Christ, as evidenced through true worship.

Our ministry is committed to calling the body to passionate worship, to preparing enthusiastic worshippers to hear the voice of the Lord, and to ushering in His presence.

*"Come, let us sing for joy to the Lord;
let us shout aloud to the Rock of our salvation.
Let us come before Him with thanksgiving
and extol Him with music and song." Psalm 95:1-2*

REZ Music Ministry is a non-profit corporation (registered as Rob E. Zweifel Music Ministry).
We allow the Lord to bless our ministry through the giving of the body of Christ.
